Minimums

- The minimum package required for an overnight conference on weekends is two nights and six meals.
- The minimum number of guests required for exclusive use of Conference Center is 550 full-time registrants (320 full-time registrants for a couple's conference).

Package Plans

All rates include lodging, meals, meeting room(s), audio/visual, basic recreation facilities, and dining staff service. One room for the conference speaker may be offered at the double occupancy rate with a single occupant.

Reservation Information

Upon making a reservation, a contract will be sent with deposit information. Once the signed contract and deposit are received, a planning guide will be sent to aid in preparing for your conference. Conference business and registration is handled in one account through the Mount Hermon conference coordinator for your event.
