lives transformed.

Dear Couples Conference Registrants,

I look forward to hosting you at the Mount Hermon Conference Center, February 22-24, 2013. Chris and Alisa Grace will be our guest speakers for the weekend. They were here in April last year and were so powerful we invited them back for the February retreat.

Reggie Coates will be leading us in worship.

Check-in will begin at 4:30 p.m. on Friday afternoon at the front desk in the Administration Building.

The conference will begin with a great buffet dinner at 7:00 p.m., followed by our first session at 8:15 in Youth Memorial. The retreat will conclude with brunch on Sunday morning at 11:30 a.m.

As you plan for your weekend keep in mind that dress is casual. Be prepared for chilly nights, and possible rain. I encourage you to bring a notebook, pen, and Bible. You may also like to have a flashlight. We have a picnic lunch planned for you on Saturday afternoon as weather permits, so you may like to have outdoor clothing and a blanket.

We will be offering, weather permitting, kayaking on the bay (7 couples max, please call 831.430.1227 to reserve in advance)! Also, the amazing Canopy Tour zip line through the redwoods will be available. You may also opt for a guided hike or a guided mountain bike ride (we supply the bikes).

An exceptional opportunity once again is being offered for you this weekend. We will have a Christian massage therapist available between 12:45 and 5:15 on Saturday for a limited number of sessions. The cost is \$30 for 30 minutes or \$60 for an hour. She will collect payments in cash or check at the session. You may reserve your massage now by contacting me before you arrive by phone 831.430.1227 or e-mail dave.burns@mounthermon.org.

We're looking forward to having you here!

Sincerely,

Dave Burns
