First Days of School	Monday and Tuesday, Sept. 18 & 19, starts at 9 AM

This summer, the staff is on vacation and will be back to school to set up the program, starting Tuesday, September 5th. That will be the first time you can contact them. You can always send Emails.

Parent Meeting: Monday, Sept. 11 at 7 PM. I have no baby sitters as yet. They must be Mt.H. employees.

The **visit days** start at 10 AM and one adult must stay the whole time until after the group time and story. The end of the morning is 11:30. The visit morning is where we take photos for the cubbies and photos of who came to school with the child the first time, so be prepared to be in the photo. If you cannot come one of these days, please make an appointment to come to get a photo taken before the first day of school, so we can have your child's picture up on their cubby tag.

The visit day is where all your paper work will be finished and the September tuition payment is due. Everyone will need to sign a new Admin Agreement that will be our contract about your payments for the year and let you know our policies. I will ask you to check your emergency information and resign & date.

Parent workday is where I get some of you to help me clean up the yard, fix broken things, tighten up the trikes, and all kinds of things that need to be done before we start. Let me know if you can help, and I THANK YOU!!!

Starting September, you can call the school, 335-9420, and leave messages if you do not get a live person.

See you all soon, Kahleen
