Description of Package Plans

All rates include lodging, meals, meeting room(s), audio/visual, and recreation facilities. Ponderosa Lodge does not provide a wait-staff for meals. Therefore, guests must help with kitchen patrol (KP) service. In addition, guests must provide their own linens in cabins. In order to book the exclusive use of Ponderosa Lodge, Mount Hermon requires a minimum booking number of 100 full-time adult guests. Should a group wish to book less than 100, Mount Hermon reserves the right to try and book another, smaller group (maximum of 50) during the same retreat dates.

Adult or Family Per Person Rate

Due to our housing accommodations, family retreats may be more challenging to schedule. However, Ponderosa Lodge currently serves a handful of successful family retreats. Approximately 75% of registrants must be full-time adults and approximately 25% may be full-time youth.

College/Youth Group Rate

We offer a flat rate per person for college or youth group retreats. We require a 1:7 cabin ratio of counselors to campers for youth retreats involving minors.

Additional Rate Information

Booking less than three meals per night stayed: Should a group like to make a reservation for less than three meals per night stayed the deduction allowance for adults and youth (when a youth rate applies) is as follows: Breakfast: \$1, Lunch \$2, & Dinner \$3.

Missed Meals: There are no refunds for missed meals. Because we base our pricing off packages, if a conferee decides not to attend a meal during his/her conference stay, there will be no monetary deduction for doing so.

Recreational Fees: Additional recreation options (Swimming pool, Adventure Programs, etc.) are available and fees vary depending on requests.

Part-time Guests: Throughout our many years of working with guest groups, we have come to realize that while allowing for part-time attendance may seem favorable initially, it actually ends up taking away from the overall community dynamic. Therefore, we do not encourage part-time attendance. However, should a retreat group need to accommodate a part-time guest, the minimum overnight charge will be the one night & three meal rate: Adult \$130, and Youth \$58 (when a youth rate applies), and College/ Youth Group \$130.

Re-Booking Your Retreat

Mount Hermon enjoys continual relationships. Therefore, once your retreat has solidified a weekend date in our booking system, your group may have the opportunity to re-book that same weekend as it falls on the calendar for the upcoming year. Retreats have 2 weeks once their retreat ends in order to re-book for the following year. Should the 2 week period lapse, and no contract/deposit has been received, then the retreat dates will become available to other groups.
